Dear Ms Ramdhany,

End of Financial Year Donation Appeal

FoodBank SA would like to thank you for your support which has allowed our organisation to distributed enough food to provide 41,500 meals daily, to people in need. With your help, we hope to double the number of meals in 2015.

The provision of food to youth centres, training facilitates, orphanages, and rehabilitation centres allows such organisations to focus their time and efforts on the important work that they do. Therefore your support will help FoodBank SA ease hunger, enabled the sick to safely take their medication, and nurtured young minds by providing children with the energy to grow, learn and work towards a brighter future.

When your financial year ends, FoodBank SA would like to ask that if there are funds left in your CSI budget you consider making a donation to our food rescue programme, which will continue providing food to some of the 11 million South Africans vulnerable to hunger. Join us in the fight against hunger by making a one-time or recurring donation.

If you donate more than R100 per annum, you will receive a Section 18A tax certificate enabling you to claim a deduction from personal or corporate taxable income.

Yours sincerely,

Ashleigh Stephan
